A.H.S. Newscast

By Peggy Wooten

Hi, there!

Appomattox High School has really distinguished herself in several fields of endeavor this week. Just look at this list of accomplishments:

On Saturday, the 14th, four members of the Forensic Club went to Brookville High School, where they took first places in all four contests they entered in competition with other schools in the district.

These are the same schools against whom our school contends in sports events. We are proud to say we acquitted ourselves as well in these contests as we previously have in football, basketball, etc. A trophy, similar to that given for football victories, was awarded the winning school. It could have been ours, IF we had had one more winner. So next year we hope to do even better, with more support.

At the FHLA Fegional Meeting held in Farmville Saturday, three candidates from Appomattox won regional offices. They are: Jane Moore, President; Mary Frances Harris, Reporter, and Mary Thomas, Secretary. Mrs. Lucille Ferrell will be Regional Advisor.

To complete A. H. S.'s good fortune, our Track Team did very well in their first contest at VPI the same day, taking third place in the one mile relay in our heat and third place in the Sprint Medley Relay in our heat. There will be a Track Meet Thursday with Nelson County to be held there. A Dual Meet is being arranged; the District Track Meet is set for May 3. This is the first year we have had a Track Team and the interest is very good. It is under the direction of Mr. Joel Byrd.

Rehearsals have been going on for the Junior play, to be presented on April 26. The play is, "The Professor Proposes," a Three-Act Comedy, by Evelyn Northrop. The cast is as follows: Geraldine Flint, Joan Weeks; Emily Gilmore, Dorothy Painter; Betty Ford, Frances Ramsey; Belle Hadley, Mildred Tolley; Bob Flint, Sam Kerr; Arthur Lewis, Robert Pankey; Bert Cornell, Buddy Poe, and Miss Martha Crawford, Jean Patrick; Mildred, Elsie Moore; John Burr McKenny, Frank Hanenkrat; Rose McKenny, Peggy Crowder.

The Seniors are happily making final plans for their First Annual Trip to New York. They have worked hard to earn this trip and are looking forward to the realization of their dream.

Peggy.

Ford *goes* First!

In Performance

At NASCAR's Speed and Safety Event at Daytona, Ford won the Manufacturer's Trophy for best all-around performance. And Ford's 225-h.p. Thunderbird Special V-8, in one day, smashed 30 world speed records at Kingman, Arizona. No wonder Ford is the world's largest-selling eight.

In Safety

When the editors of "Motor Trend" unanimously voted Ford's safety program "the top car advance" of 1956, they had in mind Ford's Lifeguard Design . . . a whole family of safety features, including a deep-center steering wheel and double-grip door latches, to help protect you in case of accident.

In Economy

In this year's Mobilgas Economy Run, a Ford Customline V-8 with Fordomatic won over *all* cars in its class. The sturdier, heavier Ford carried more weight with greater gasoline economy per pound than any competitive car . . . "sixes" as well as "eights"! Ford proved itself a regular gas miser.

The way a Ford performs, the way it saves, the way it protects you, go hand-in-hand with the way it looks and lasts. Ford's look was inspired by America's most exciting car, the Thunderbird. Its rugged K-bar frame and carefully-built body give it the endurance and reliability traditional with Ford. These are the facts behind Ford's reputation as the car that's worth more when you buy it . . . worth more when you *sell* it, too! Come in and let us show you!
